

This document will guide you through the registration procedure to the CEP admission test and through the test itself.

**Make sure to read it carefully !**

Make sure to finish the test when available in time. Late submissions **will not be considered!**

If you need assistance, please contact:

**[cep-study@fau.de](mailto:cep-study@fau.de)**

# Registration

## STUDON-EXAM

PLATFORM FOR DIGITAL EXAMS AT THE FAU

### ATTENTION

Please note that you will need to log in again when switching platforms.  
Your account for previous semesters may have expired and need to be activated first.  
Older platforms will be deleted after a period of five years.

- Navigate to: <https://www.studon-exam.fau.de/home/>.
- Press the **topright button** to change the language to English **(1)**.

## Terms of Service

## User agreement for the online learning platform and working environment StudOn

## § 1 Scope

This user agreement applies to the online learning platform "StudOn", provided by the Friedrich-Alexander-University Erlangen-Nuremberg (in the following "operator").

## § 2 Subject Matter

1. StudOn is an integrated, online learning and working environment that is used by all facilities of the University.
2. StudOn provides web-based learning material, different objects for organizational matters and means of communication which are reserved for personal use as part of university education only.
3. The Institute for Learning Innovation (ILI), located at the University of Erlangen-Nuremberg, is responsible for conceptual and operational aspects (regarding content and technical matters) as well as for the project management of StudOn as a whole. StudOn is hosted by the Regional Computer Centre Erlangen.
4. Questions regarding these user agreements and general concerns are to be addressed to the StudOn team: E-Mail: studon@fau.de or phone: 09131-85 61133

## § 3 Target group

1. The use of StudOn is reserved for those who are affiliated to the University Erlangen-Nuremberg.
2. In well-founded cases, persons who do not belong to the University of Erlangen-Nuremberg can be provided with temporary access to StudOn (as guests).
3. Teachers and students can register for StudOn.
4. Access to and the use of documents and functions are subject to the following terms of service. Access is provided if these terms of service are accepted. The content in StudOn is created by the users of the
